

## Critique

Use the success criteria box below to help you to critique your work.

### Success Criteria

<b><i>Theme / concept</i></b>	<b><i>Technique / process</i></b>
What does the photograph say? Is the theme of the photograph clear? How does the photograph relate to your project theme? How could the meaning of the photograph be improved? Is the theme personal? Does the photograph relate to any other photographers' work? How could the theme be improved?	Have the correct settings been used? Are the lighting / white balance correct? How has the photograph been composed? Is the photograph in focus? Is there anything in the photograph that doesn't need to be there? What visual elements have been used in the photograph? How could the techniques or processes used be improved?

### Feedback

<b><i>Positives</i></b>	<b><i>Next Steps</i></b>

### How can you improve your work?
